**MEMORANDUM FOR:** Director of Communications  
✓ Director of Finance  
Director of Medical Services  
✓ Director of Personnel  
Director of Security  
Director of Training

**SUBJECT :** ✓ Office of Logistics Significant Accomplishments  
FY 1967

1. Attached is the Office of Logistics Report on Significant Accomplishments for FY 1967. I think you will find this report most informative as it provides a picture of the diverse and widespread activities of the Office of Logistics. I recommend that this be passed on to the principal members of your Office for information.

2. I suggest, if you are not already doing so, that you compile an annual report for your Office highlighting principal accomplishments and activities. Such annual reports would be of considerable value both to your own staff and to the other Offices in the Support Directorate and would develop a better appreciation of the various activities in which you are engaged and which the other Offices should understand and appreciate.
